

College Student?

Need help paying for your groceries?

Information valid through September 2021

Check It Out: If you are a student ages 18–49 attending a college/university at least half time, you may be eligible for SNAP (income eligibility and other criteria may apply).

PERSONS	MONTHLY INCOME	MAXIMUM BENEFIT
One	\$1,383	\$234
Two	\$1,868	\$430
Three	\$2,353	\$616

ADDITIONAL ELIGIBILITY CRITERIA | You must also meet at least **one** additional criterion listed below:

- Awarded work-study through your financial aid package. If you think you may be eligible for work-study and it has not been awarded, contact your financial aid office.
- Expected Family Contribution (EFC) on your financial aid award letter is \$0. If financial circumstances have changed since completing the FAFSA, contact your financial aid office to see if this applies to you.
- Have dependent children ages 0–12. Additional eligibility criteria apply for children ages 6–12.
- Working an average of 20 hours per week.
- Unable work due to a State of Utah certified disability.
