Federal Nutrition Programs

SNAP (Food Stamps)

SNAP, or the Supplemental Nutrition Assistance Program (formerly known as food stamps) provides monthly food assistance to low-income individuals and households through an electronic benefits transfer card (EBT) known as the Horizon Card. SNAP benefits can be used to purchase any foods other than hot prepared meals. Most grocery stores in Utah accept SNAP.

See *Chart A* below for eligibility. You can apply for SNAP online at <https://jobs.utah.gov/mycase/> or in person (Monday-Friday 8am-5pm) at your local Department of Workforce Services (DWS) Employment Center:

Expedited SNAP

Normally, SNAP (food stamp) applications are processed within 30 days. However, you can receive your SNAP benefits in 7 days, if:

- You are in a household with less than \$150 in monthly gross income and have less than \$100 cash on hand.
- You are in a household whose combined monthly gross income and liquid assets are less than the household's monthly utilities and rent/mortgage.
- No verification is required at the time of application. Any necessary verification must be submitted within 30 days of initial application.

Same day benefit issuance is possible if you already have an EBT card.

Using SNAP at Farmers Markets

You can use your SNAP EBT benefits at over 20 farmers markets and farm stands across Utah. Some locations also match SNAP benefits (up to \$30 per market day) with Double Up Food Bucks tokens that can be used to purchase fresh fruits and veggies.
